

HERITAGE WALL

In memory of
Donna Graham

Heritage Wall is designed to honor and recognize the contributions of our *Pioneering Families* who were responsible for building Vulcan County over the last one hundred plus years.

The Heritage Wall will be a large photograph, taken by a local photographer, of an area within Vulcan County. The photograph will be covered by glass with family names etched into the glass.

The Foundation is excited that this work of art will be displayed in our new Community Health Centre expansion. We have time to make this not only beautiful to view, but an informative reflection on the diverse heritage within our County.

General Information

Pioneer families who have and continue to contribute to Vulcan County's diverse heritage.

Due to space considerations, the Foundation will have to limit the number of family members that can be included under one "Family Name." Please consider direct descendants only.

A donation of \$1,000 per family placement. The total amount of your donation is tax deductible. This amount will also be included in our Donor Recognition program. Our vision of the Heritage Wall in on the back of this form. It displays how other donors would like their family name remembered.

You can contact the Foundation office or anyone on the Heritage Wall Committee.
