

Alberta Health Services in partnership with the Vulcan County Health and Wellness Foundation are currently working on the development of an addition to the Vulcan Community Health Centre. The project is expected to be tendered within the next 6 months. If you are interested in participating in the bid process please submit the following information for review:

1. Demonstrate a minimum of five (5) years of Acute Healthcare experience.
2. Provide information related to a minimum of 3 similar projects your company has recently been involved in.
3. List names and qualifications of all staff including sub-contractor's firm and staff performing and supervising the work related to this project. (Including names, titles, experience on similar projects and resumes where possible.)
4. Submit completed Schedule A; Statement of Full Disclosure and Conflict of Interest Declaration

Submissions shall be submitted to McKay Hlavacek Architects no later than 0200 pm, September 15, 2017 at:

McKay Hlavacek Architects Ltd.
