BUILDING BLOCKS

Are you interested in becoming a Facilitator?

The Facilitator's role is to walk alongside our clients/learners as they set goals and travel their learning journeys. This involves understanding the client's needs and ensuring we can support them. Facilitators receive training relevant to each program they deliver, as well as understanding the guidelines of our two key funders: CALP (the Community Adult Learning Program) under Advanced Education and FRN (Family Resource Network) under Children's Services.

Facilitators may be asked to participate in our fundraising events, sharing information about our organization, aiding in community events and volunteering at our casino fundraiser.

To inquire, please reach out to Rainbow Literacy:
